25X1 [redacted]
25X1 5. [redacted] called with reference
25X1 to [redacted] which specified certain information desired by Senator
25X1 Dodd concerning communist activities [redacted] This was to be provided
25X1 Senator Dodd in Washington. [redacted] wished advice on how to prepare
the material and it will be reviewed here prior to dispatch. I alerted
Simpson to the general picture concerning Dodd and the probable meeting
with the DCI.

25X1 6. [redacted] advised that the DCI, after
25X1 reading [redacted] stated he would like very much to see
25X1 Representative John V. Lindsay when he is available. I indicated to
25X1 [redacted] my previous discussions with FE on the possibility of briefing
Lindsay. It was agreed that we would go ahead with attempts to
25X1 arrange the meeting with Lindsay and [redacted] including some CIA
briefing. Subsequently, we would determine Lindsay's availability
25X1 to meet with the Director. [redacted] suggested a memorandum at that
time concerning Lindsay generally.

25X1 7. [redacted] Talked with Representative Kilday
STAT and established a meeting in his office for ten o'clock on Thursday,
13 December with the DCI. [redacted] has been notified and a note sent
in to the Director. Mr. Smart was advised of the above and he stated
he would let me know if Mr. Kilday requested that he, Smart, be present.
